

### QUERIES RAISED IN PRE-BID MEETING

Pre-bid Meeting with interested bidders for supply, installation and commissioning of paddy straw based briquetting plant in Punjab; was held on 04/07/17 at 11.30 a.m. in PSCST office. The list of participants is Annexed. The clarifications to the queries raised by bidders are given hereunder in annotated form:-

Sr. No.	Query Raised	Clarification
1.	Who will pay spare parts cost?	The bidder will ensure complete O&M of the machine(s) for one year w.e.f. date of commissioning, which includes supply/replacement of spare parts, maintenance etc.
2.	Who will pay operator's salary?	During the operation of briquetting plant, the operator will be provided by the agency (Industry) in whose premises the machine will be installed.  However, the bidder will bear the expenses towards training of manpower and maintenance of the machinery for one year from the day of commissioning.
3.	Who will pay freight and unloading?	The rates of machinery shall be FOR-Site and would be clarified in the Tender Document.
4.	Who will pay GST?	Will be clarified in the Tender Document.
5.	Who will pay for civil works?	The bidder would provide layout and foundation drawings required for installation of machinery. The cost of civil work/electrical shall be borne by the industry. However any extra work(s) beyond the working place, if required, will be paid to the bidder.
6.	Payment : Advance, Balance	Would be clarified in the Tender Document.
7.	a) Who will pay for Operator's accommodation? b) Who will pay for water supply and drilling? c) Who will pay for after electrical meter cables and switch? d) Who will pay for earthing?	Refer to para 5 above, the Civil and Electrical work(s) will be carried by the industry under the bidder's supervision. For any further queries, it would be clarified in the Tender Document.
8.	What action to be taken on dispatch delay from tenderer?	Clause of penalty, bank guarantee etc to be imposed, will be clarified in the Tender Document.
9.	Whether drier is required along with other machine components?	The bidder is advised to provide details of machinery proposed to be installed along with drier, if required. The components of the paddy straw based briquetting plant will be finalized by the Expert Committee constituted for the purpose after detailed presentation by the bidders on their technologies.
