

CM for energy audit of govt buildings

POSTED BY: [TRIBUTE NEWS](#) APRIL 9, 2018

Chandigarh, April 9

Chief Minister Capt Amarinder Singh on Monday asked the Punjab State Council of Science and Technology (PSCST) to undertake an energy audit of all government buildings and educational institutions in the state.

The move is aimed at promoting energy conservation and reducing the hefty electricity bill of these buildings. The CM issued the order while chairing the 13th meeting of the Pushpa Gujral Science City (PGSC) Society here, an official said. — TNS
